

**Application No.:** 10/783,718  
**Filing Date:** February 20, 2004

## **SUMMARY OF INTERVIEW**

### Date and Type of Interview

A telephonic interview was held on July 21, 2010 between counsel for Applicant, James Herkenhoff and Qinlei Wang, and Examiners Lun-See Lao and Vivian Chin.

### Exhibits and/or Demonstrations

None.

### Identification of Claims Discussed

Independent Claims 47, 75, and 76.

### Identification of Prior Art Discussed

- US 2004/025073 to Swix and
- US 7,190,798 to Yasuhara

### Proposed Amendments

During the interview, Applicant proposed amending Claims 47, 75, and 76 to clarify that the audio signal is a multi-channel audio signal. Applicant further proposed amending Claim 76 to include a destination address.

### Principal Arguments and Other Matters

The amended claims would not have been obvious in view of Swix and Yasuhara.

### Results of Interview

An agreement was reached that Claim 47, as proposed to be amended, is allowable over the cited prior art.
